

REMARKS

The amendment to the title is to correspond with the cancelation of the only product claims 8 and 9.

With the present cancelation of the product claims, the rejections under 35 USC 102(b) and 103(a) are deemed obviated.

Accordingly, in view of the foregoing it is respectfully submitted that claims 1-7 as now presented are entitled to be fully allowed, and such action is solicited. Should the Examiner have any questions a telephone call to applicant's attorney at (415) 979-9876 is invited.

Respectfully submitted,

Richard E. Backus
